2. COMMUNICATION SERVICES

C. Telecommunications Services

Commitments undertaken in this offer are subject to the following general conditions:

- Each service to be supplied in Thailand requires a specific licence issued by the National Telecommunications Commission (NTC).
- Licences are granted only to service suppliers duly constituted according to the Thai legislation, which requires head office and management located in the Thai territory.
- Due to scarce resources, the number of licenses may be limited.
- The services in the Schedule of Specific Commitments shall be on facilities basis.
- The service provider shall be a Thai registered company with foreign equity participation not exceeding 25 per cent of the registered capital. The NTC may prescribe the prohibition that the applicant for certain nature or categories of telecommunications business who is a juristic person, shall not commit any other act which has the nature of business takeover by a person who is not of Thai nationality.

Reference Paper

NOTE TO THE SCHEDULE

1. Where road, rail, inland waterways and related auxiliary services are not otherwise fully covered in this schedule, a multimodal transport operator shall have the ability to rent or lease trucks, railway carriages or barges, and related equipment, for the purpose of inland forwarding of cargoes, or have access to and use of these forms of multimodal activities on reasonable and non-discriminatory terms and conditions for the purpose of carrying out multimodal transport operations.

2. "Reasonable and non-discriminatory terms and conditions" means, for the purpose of multimodal transport operations, the ability of multimodal transport operator to arrange for the conveyance of its merchandise on a timely basis, including priority over other merchandise which enter the port at a later date.

3. Definitions:

3.1 "cabotage": for the purpose of this schedule, means the transportation or towage of passengers or goods, between a port or place located in Thai waters and another port or place located in Thai waters.

3.2 "Other forms of commercial presence for the supply of international maritime transport services": for the purpose of this schedule, means the ability for international maritime transport service suppliers of other members to undertake locally the following:

- (a) Marketing and sales of maritime transport services through direct contact with customers, from quotation to invoicing, these services being those operated or offered by the service supplier itself;
- (b) The procurement, on their own account of any transport and related services, necessary for the supply of the integrated service;
- (c) The preparation of documentation concerning transport documents, customer documents, or other document related to the origin and character of the goods transported;
- (d) Setting up of any business arrangements (including participation in the stock of a company) and the appointment of personnel recruited locally with any locally established shipping agency: As indicated in the horizontal section.

3.3 "Multimodal transport operator" means the person on whose behalf the bill of lading/multimodal transport document, or any other document evidencing a contract of multimodal carriage of goods, is issued and who is responsible for the carriage of goods pursuant to the contract of carriage.

3.4 "Freight forwarding services" means the activity consisting of organizing and monitoring shipment operations on behalf of shippers, through the procurement of transport and related services, preparation of documentation and provision of business information.
